Even online payment comes at a cost

That's why we need you.

What is your support for HelloAsso used for?

A

- By ensuring our operation, it allows more than 100,000 associations to have access to a payment solution adapted to their needs, without fees or commissions
- It makes it possible to hire a team of more than 60 people in which each one supports the associations in the development of their activities.
- It makes it possible to improve our support services and technologies.

All of this is only possible with your support.

Thank you, I understood
